

## Admission Questions to Ask Medicare Beneficiaries

The following questionnaire contains questions that can be used to ask Medicare beneficiaries upon each inpatient and outpatient admission. Providers may use this as a guide to help identify other payers that may be primary to Medicare. This questionnaire is a model of the type of questions that may be asked to help identify Medicare Secondary Payer (MSP) situations. If you choose to use this questionnaire, please note that it was developed to be used in sequence. Instructions are listed after the questions to facilitate transition between questions. The instructions will direct the patient to the next appropriate question to determine MSP situations.
